

# The Wonderful Things You Will Be

I know You'll be kind... and clever...  
and bold. And the bigger your heart,  
the more it will hold. When nights are  
black and when days are gray--you'll  
be brave and bright so no shadows can  
stay. And become anybody that you'd  
like to be. And then I'll look at you  
and you'll look at me and I'll love  
you, whoever you've grown up to be.
